Ward Congratulates Its Customers for Receiving Top 100 Best Fleet Awards

SAN ANTONIO, TX, June 21, 2010 – Ward is pleased to congratulate two of its customers: the City of Troy and the City of Portland for receiving the top two awards in the 100 Best Fleets which were announced on June 21, 2010. The Top 20 fleets for this year's 100 Best Fleets were announced at the Government Fleet Expo in Austin, Texas. Both cities have been long time Ward customers by utilizing Ward telematic fuel management solutions throughout their entire fleet.

The City of Troy earned the top award as the best Top 100 government fleet. Sam Lamerato, fleet maintenance superintendent, accepted the award on behalf of his fleet. Lamerato, a 36-year industry veteran, oversees more than 500 pieces of equipment for the City of Troy. Sam also recently received the APWA's 2010 Professional Manager of the Year - Public Fleet Award. The City of Troy currently utilizes the Ward Automated Fuel Management System throughout its fleet.

The City of Portland received the award as the second best government fleet. Portland's Fleet Manager John Hunt was recently named Public Fleet Professional Manager of the Year by the APWA and was the first Government Fleet "Public Sector Fleet Manager of the Year." The City of Portland has a fleet comprised of 2,850 vehicle/equipment and relies on the Ward Automated Fuel Management System for its fleet fuel management.

Ward is proud to support these fleets with the most advanced fleet asset management technology. Founded in 1974, Ward is a premier fleet asset management company. Headquartered in San Antonio, TX, Ward is a leader in developing advanced technologies for fleet asset solutions including fuel management, GPS/AVL tracking and tire pressure management systems. Ward is recognized throughout the United States for ensuring fleet assets are accounted for and fleet usage is optimized.
