E.J. Ward, Inc. Revamps Website Design and Functionality

SAN ANTONIO, TX, May 14, 2010 - E.J. Ward, Inc. has revamped its corporate website including the addition of numerous features making it easier to navigate throughout the website. Additional product resources have also been added to the new Ward website providing in-depth resources that articulate product benefits and features. The website also includes a Live Chat support feature for existing customers to obtain assistance from Ward Customer Service in real-time.

About Ward

Founded in 1974, Ward is a premier fleet asset management company. Headquartered in San Antonio, TX, Ward is a leader in developing advanced technologies for fleet asset and fuel management systems and solutions. Ward is recognized throughout the United States for ensuring fleet assets are accounted for and fleet usage is optimized. For more information, visit Ward's virtual pressroom at www.ejward.com.
